THE OLD JUDGE SAYS...

TOM: "It's mighty nice to receive a compliment like you've just given us, Judge. We do take our responsibilities very seriously and try to do the right thing with everybody. In spite of it, we get criticized now and then."

OLD JUDGE: "I know... you've got to take the bitter with the sweet in times like these. Speaking of criticism, and I mean really unfair criticism, reminds me of the spirit beverage business."

FRANK: "How is that, Judge?"

OLD JUDGE: "Simply this... can you think of any other business in which the seller is responsible for what the buyer does with his merchandise? If a person eats too much cake and gets indigestion, the baker isn't blamed. Nor is the coffee merchant criticized if someone drinks too much coffee and can't sleep. But the seller of spirit beverages gets blamed plenty if one of his customers overindulges. Doesn't seem quite fair, does it, Tom?"

TOM: "Frankly, it doesn't, Judge. We've never looked at it that way before."
